

## Nursery home learning pack

### Pets

This week we will be learning about pets. If you do not have a pet in your household. The children may like to choose a teddy as a pet or even a pet rock!

I have listed lots of activities that you can do with your children and have included resources. Please feel free to extend this topic to what suits your child.

- Draw a picture of your pet, can you help your child to write its name
- Do you know how to properly care for pets? Use a book or the internet to research how to best care for them. RSPCA has a good website that is suited for early years children
- If you have a pet at home ask your child to take an active part in looking after them. Imaginary pets need looking after too!
- Ask your friends or family what pets they have at home. Count how many of each animal. Create a tally chart or pictogram. (Pet pictogram and pet addition sheet included in resources) Which is the most popular pet?
- Read Dear Zoo, this can be found online ( I have included Dear Zoo PowerPoint in resources). Discuss why some of these animals would not make ideal pets in the home. (A monkey might climb up the curtains).
- Maybe help your child compose or write a letter.
- Use old catalogues to make a pet and pets supply collage.
- Read a range of books on pets, fiction and non- fiction. There is a wide range online.
- Sing songs about pets, such as “How much is that doggy in the window”, “BINGO”. These and lots more can be found on You tube.
- Make a bed for your pet or pet teddy using boxes, blankets and decorate.
- I have also include outdoor activity card for ideas for learning outside.
- Pet cutting skills sheet is also in resources, to help with using scissors.
- Pet crafts, lots of different ideas can be found online, I have included a pet split pin craft in resources.

Keep safe .Love Mrs Copperwheat xxx Please email if you have any queries.
